

Model : ATZ HDMI-R40
Description: HDMI 4K Repeater 40 Meter

Features:

It regenerates the incoming HDMI signal by decoding and re-encoding it to a new standard HDMI signal so it can extend the transmission range without degradation. Extends 3840x2160P up to 40 meter transmission distance (lower resolution signal can be transmitted longer). No power. Plug and play, easy to install.

Specifications:

- Support up to 40m (Max: 25M-input/ 15M-output)
- Support HDMI 1.4b
- Support 3D,4Kx2K@30Hz
- Compliant with HDCP 1.4
- Operation frequency:up to 340MHz
- HDMI data rate:3.4G bps(Single link)
- Input/output resolution:
HD:480i@60Hz、576i@50Hz、480p@60Hz、1080p@50Hz、1080p@60Hz、
1080p@25Hz、1080p@30Hz、1080p@24Hz、2160p@30Hz
- Dimensions(WxHxD):28x13x51mm
