- Led indicates signal and power mode.
- Power supply (please refer to technical parameter).

### Specifications:

|                               |                |
|-------------------------------|----------------|
| VGA Source Input Port         | 1xVGA          |
| Display Device Output Port    | 2xVGA          |
| Source Port Connector         | VGA-HDDB-15P.  |
| Display Device Port Connector | VGA-HDDB-15P.  |
| Screen Resolution             | 1920*1440@60Hz |
| Bandwith                      | 350MHz         |
| Working Voltage               | 0°C-70°C       |
| Working Voltage               | DC 5V          |
| Power Adaptor                 | 5V 1A          |
| Net Weight                    | 0.25kg         |
| Dimension: L*W*H(mm)          | 149.5x64x25    |

**Model** : ATZ VS132  
**Description** : 2 ports VGA splitter 350Mhz

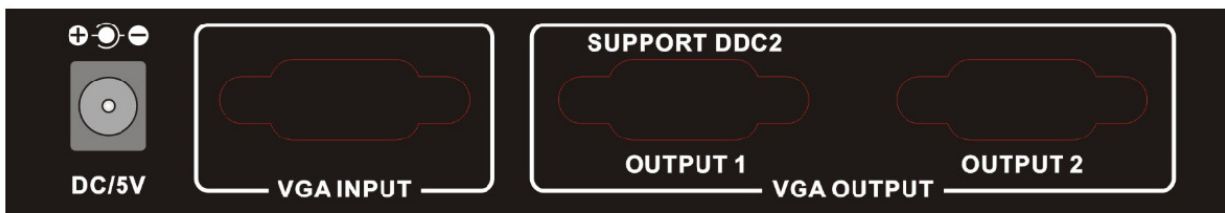

## Operation Controls and Functions

### Front Panel:

POWER -----Power Instruction  
 ON/OFF-----Power switch

### Back Panel:

DC/5V-----DC Power Input Port  
 VGA INPUT-----VGA Input port  
 VGA OUTPUT 1-2-----VGA Output ports

### Product Diagram:

- Connect the VGA cable between signal source and input port of Splitter.
- Connect the VGA cable between output port of Splitter and HDTV.
- Connect splitter and power adapter.
- Open the signal source and the power of HDTV, then it works.

**Model** : ATZ VS132

**Description** : 2 ports VGA splitter 350Mhz

- 
- Explanation: With different brands of the input or output device, the length of the
  - connecting cables will differ too.

**Installation and Precautions:**

*To avoid electric shock, product damage and to protect your safety, please notice the following:*

- 1. Please slowly plug or unplug signal cables and do not often plug, unplug, or shake them.*
- 2. The equipment should not be placed under the sun, rain and damp or unventilated environment.*
- 3. Liquid items should not be placed on the equipment.*
- 4. Do not install the equipment near heat sources such as fire, power, or other amplifiers that produce heat.*
- 5. Do not insert the metal or other objects to the equipment in addition to connecting cables to ports.*
- 6. Do not demolish the equipment by yourself; it should be maintained by professional maintenance staff.*

---

**Package contents:**

- 1x VGA 1×2 Splitter
- 1x 5V DC Power Adaptor
- 1x User Manual

---

**Warranty: 2 Years**

Warranty is effective from the date of original delivery.

This warranty shall be void if a serial number has been removed from the product.
