

Model : ATZ USB3xx (xx=25/30)

Description: USB 3.0 Active Repeater Cable 25M/30M

Model : ATZ USB3xx (xx=25/30)

Description: USB 3.0 Active Repeater Cable 25M/30M

Features:

- High performance active USB 3.0 extension cable extends the connection between a computer or Windows tablet and USB 3.0 and USB 2.0 peripherals including hard drives, USB hubs, mouse, keyboards, flash drives, printers etc.
- Enjoy USB 3.0 data - transmission speeds of up to 5 Gbit/s, which is about ten times faster than USB 2.0 (480 Mbit/s)
- USB 3.0, dual-bus architecture is used to allow both USB 2.0 (Full Speed, Low Speed, or High Speed) and USB 3.0 (SuperSpeed) operations to take place simultaneously, thus providing backward compatibility.
- Premium USB 3.0 repeater cable engineered with molded strain relief connectors for durability and grip treads for easy plugging and unplugging
- The combination of bare copper conductors, and foil & braid shielding provides superior cable performance and error-free data transmission!
- Cable length: 25M/30M

Model : ATZ USB3xx (xx=25/30)

Description: USB 3.0 Active Repeater Cable 25M/30M

Specifications:

- Material: PVC Jacket
- Core specifications: standard tinned oxygen-free copper 24/28AWG
- Data transmission: standard USB3.0 high speed
- Applicable products: It can be connected to USB flash drives, cameras, wireless network cards, electronic dogs, printers, mice, keyboards, game consoles, and other USB devices!
- Advantages: provide ultra-fast transmission rate up to 5GBPS (theoretical value), standard 3.0 connector provides excellent electrical conductivity, making high-speed data transmission fast and accurate; built-in chipset!
- Double-layer shielding of braided copper mesh and aluminum foil can greatly reduce electromagnetic interference and radio interference!
- Inner film shielding: help reduce signal interference and ensure 100% compatibility with current USB!
- Elastic PVC jacket: flexible and hard to break, durable!
- Twisted pair of data wires (impedance matching): Minimize signal cross interference and ensure high-speed error-free data transmission!
- 'Power' light: power indicator, 'Link' light: signal indicator
- Driver free, plug & play.
- Compatible with Windows XP, Vista, 7, 8, 10, and Mac OS10.6 or above

Note: MICRO USB power interface, convenient and practical to connect to external power adapter. Power adapter AC/DC 5V 2A is required to power devices requiring high power. Most devices DO NOT need to be powered by external power – Power adapter is OPTIONAL for sale, not included with this repeater cable

Package Includes:

1x USB 3.0 Active Repeater Cable (USB Type A-male to female)

Model : ATZ USB3xx (xx=25/30)
Description: USB 3.0 Active Repeater Cable 25M/30M

Product Diagram:

Warranty: 1 Year

Warranty is effective from the date of original delivery.

This warranty shall be void if a serial number has been removed from the product.
