

**Model** : ATZ NET-RJP-C6A-SH

**Description:** Cat.6A RJ45 Shielded connector plug

## Features:

- High quality & high performance plug/connector
- Certified RoHS, UL, Reach and FCC Compliant
- Copper alloy shielding
- Contact Gold plating: 50µ"
- Specially designed for Cat6A network cable
- Complies with EIA/TIA-568-B.2-2002, ISO/IEC11801-2002
- Compatible to standard sockets, Standard RJ45 connector, 8P8C wiring
- Accepts 23AWG, 24AWG, 26AWG solid or stranded wire
- Application: 10/100 Base-T, Gigabit (1000Mbps) and 10GBASE-T Gigabit Ethernet

## Specifications:

- Material: Polycarbonate
- Cable-To-Plug Tensile Strength: 20 Pound Min.
- Temperature range: -40 ~ 70°C

**Model** : ATZ NET-RJP-C6A-SH

**Description:** Cat.6A RJ45 Shielded connector plug

- Durability: 750 cycles min
- Insulation resistance: 100Ω, min @ 500V DC
- Dielectric with standing resistance: 1000V AC RMS 50Hz, 1 min
- Gold Plating: 50μ”
- Shielded Shell: Copper Alloy
