

**Model** : ATZ NET-RJP-C7-SHB

**Description:** Cat.7 RJ45 Shielded plug w/load bar+tail

This Cat.7 RJ45 shielded plug features two piece design come with load bar which makes installation easier. Nickel-plated shield provide protection from interference.

**Model** : ATZ NET-RJP-C7-SHB

**Description:** Cat.7 RJ45 Shielded plug w/load bar+tail

---

## Features:

- High quality & high performance plug/connector
  - The hole of the load bar is 4 up / 4 down. Load diameter is 1.5mm
  - Certified RoHS, UL, Reach and FCC Compliant
  - Copper alloy shielding
  - Contact Gold plating: 50μ”
  - Cat 7 shielded modular plug for wire OD 1.5mm
  - Complies with EIA/TIA-568-B.2-2002, ISO/IEC11801-2002
  - Compatible to standard sockets, Standard RJ45 connector, 8P8C wiring
  - Application: 10/100 Base-T, Gigabit (1000Mbps) and 10GBASE-T Gigabit Ethernet
- 

## Specifications:

- Material Of Housing: PC 94-V2
- Material Of Contact: Brass C2680
- Material Of Shield: SPCC Nickel Plating
- Electrical Test: Dielectric withstanding volts: 500AC
- Contact Gold plating: 50μ”
- Insulation Resistance: 500 mega ohms
- Termination Resistance: 35 milliohms max

**Model** : ATZ NET-RJP-C7-SHB

**Description:** Cat.7 RJ45 Shielded plug w/load bar+tail
