Model : ATZ HDMI2.0-USB-C+USB-2M
Description: HDMI v2.0 4K@60 to USB-C + USB Adapter cable (2m)

Box and more, to your existing USB Type C monitor, portable monitor, Nreal Air VR set and projector.

Cable connect and configure to your monitor for extended desktop or mirrored displays.

The cable supports 4K@60Hz maximum resolution, and is compatible downward with 2k@144hz, 1080P@120Hz, 1080P@60Hz, 1080i, 720P resolution. Both the corresponding resolution, your computer and the display must support this resolution.

Cable is plug and play without any additional of any software installation.

Come with USB Type-A connector for power supply. USB connector must be connected to either USB power adapter / any source device USB port to draw additional power. Thus minimizes the signal loss and potential failure points to achieve best performance and compatibility.

Ideal for home theatre, corporate presentation, classroom lectures, portable display usage and more.
