

**Model** : USB4-MF-ADPTR 90°-C

**Description** : USB 4 Type C Male to Female 90° Center (Up/Down) Adapter 240W, 40Gbps, 8K60hz

This USB 4 Type C male to female 90° angle center (Up/Down) adapter is used to plug into Type C device with limited clearance or tight space. Adapter will change the direction of the incoming cable direction to reduce cable clutter, protect the cable and ensure a neat setup. This adapter also protect your device USB Type C port from wear and tear.

This adapter can provide a high performance of 240W for charging, 40Gbps for data transfer and 8K resolution for video output.

This compact adapter seamlessly integrates into your home or office tech setup.

Widely compatible with a variety of USB Type-C devices, such as laptops, smartphones, tablets, and external hard drives, camera, chargers and etc. This extender offers broad compatibility for seamless connectivity across different platforms. It is a versatile accessory for expanding the reach of USB C ports.

Backward compatible with Thunderbolt 4 / 3 and USB 3.2 / 3.1 / 3.0 / 2.0.

**Model** : USB4-MF-ADPTR 90°-C

**Description** : USB 4 Type C Male to Female 90° Center (Up/Down) Adapter 240W, 40Gbps, 8K60hz

## Features:

- Supports up to 240W fast charging with 48V at 5A
- Support up to 40Gbps data transfer
- Supports crisp 8K video for monitors and multimedia setup, when pair with a USB 4 cable.
- Compatible with Thunderbolt 3/4 and DP Alternated Mode Supported devices
- Durable and compact to be pack or keep away
- Gold plated connector ensure stable transmission
- Prevents wear and tear on device port
- Reversible plug orientation cable direction
- Plug and play

### Improve Gaming Experience with Right Angle USB C Adapter

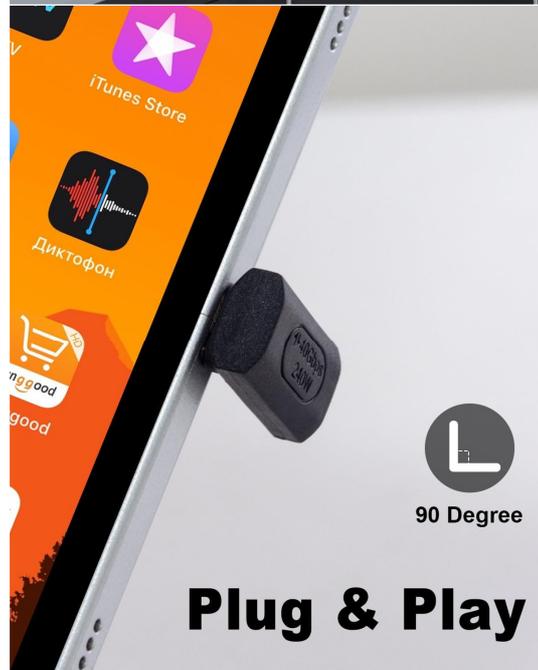

### Protects the charging data port of your device

Small enough to be left on the device without having to remove it, reducing the number of times the device interface is unplugged and extending its life

### Synchronised audio and video for smooth office entertainment

Supports connection to Type-c displays, 8K@60Hz with clear picture quality and smooth operation

**Model** : USB4-MF-ADPTR 90°-C

**Description** : USB 4 Type C Male to Female 90° Center (Up/Down) Adapter 240W, 40Gbps, 8K60hz

## Specifications:

Connector A	USB Type C
Connector B	USB Type C
USB C Protocol	USB 4 with DP 1.4 Alt Mode
Gender	Male to Female
Configuration	90° Center (Up/Down)
Max Resolution support	Up to 8K@60Hz, 4K@240Hz, 4K@144Hz, 2K@240Hz, 2K@165Hz, 1080P/240Hz, etc
Bandwidth speed	Up to 40Gbps, 240hz
Material	PVC
Connector	Gold plated
Power Support	240W 48V 5A

**Model** : USB4-MF-ADPTR 90°-C

**Description** : USB 4 Type C Male to Female 90° Center (Up/Down) Adapter 240W, 40Gbps, 8K60hz

### Support 8K@60Hz Video Output

The USB C adapter available perform high-quality videos  
It support 8k@60Hz video transfer

**Model** : USB4-MF-ADPTR 90°-C

**Description** : USB 4 Type C Male to Female 90° Center (Up/Down) Adapter 240W, 40Gbps, 8K60hz

### Notes:

- 1) Ensure USB 4 Cable is use to hit 240W for power and 40Gbps for data transfer and 8K for video resolution
- 2) Do ensure your device Type C support Power, Data transfer and DP alternate Mode to fully utilize the feature of this adapter
- 3) Please make sure your monitor's Type C port support DP Alternate Mode for Video mode
- 4) Not for HDMI source to USB C display
