

Model : USB4-MF-ADPTR 90°-V

Description : USB 4 Type C Male to Female 90° Vertical Adapter 240W, 40Gbps, 8K60hz

This USB 4 Type C male to female 90° angle vertical adapter is used to plug into Type C device with limited clearance or tight space. Adapter will change the direction of the incoming cable direction to reduce cable clutter, protect the cable and ensure a neat setup. This adapter also protect your device USB Type C port from wear and tear.

This adapter can provide a high performance of 240W for charging, 40Gbps for data transfer and 8K resolution for video output.

This compact adapter seamlessly integrates into your home or office tech setup.

Widely compatible with a variety of USB Type-C devices, such as laptops, smartphones, tablets, and external hard drives, camera, chargers and etc. This extender offers broad compatibility for seamless connectivity across different platforms. It is a versatile accessory for expanding the reach of USB C ports.

Backward compatible with Thunderbolt 4 / 3 and USB 3.2 / 3.1 / 3.0 / 2.0.

Model : USB4-MF-ADPTR 90°-V

Description : USB 4 Type C Male to Female 90° Vertical Adapter 240W, 40Gbps, 8K60hz

Features:

- Supports up to 240W fast charging with 48V at 5A
- Support up to 40Gbps data transfer
- Supports crisp 8K video for monitors and multimedia setup, when pair with a USB 4 cable.
- Compatible with Thunderbolt 3/4 and DP Alternated Mode Supported devices
- Durable and compact to be pack or keep away
- Gold plated connector ensure stable transmission
- Prevents wear and tear on device port
- Reversible plug orientation cable direction
- Plug and play

Specifications:
