

**Model** : USB4-MF-ADPTR

**Description** : USB 4 Type C Male to Female Straight Adapter 240W, 40Gbps, 8K60hz

This USB 4 Type C male to female adapter help extend or protect your current USB C port connectivity. This adapter allows for easy extension and prevents wear and tear on cables and device ports.

This adapter can provide a high performance of 240W for charging, 40Gbps for data transfer and 8K resolution for video output.

This compact adapter seamlessly integrates into your home or office tech setup.

Widely compatible with a variety of USB Type-C devices, such as laptops, smartphones, tablets, and external hard drives, camera, chargers and etc. This extender offers broad compatibility for seamless connectivity across different platforms. It is a versatile accessory for expanding the reach of USB C ports.

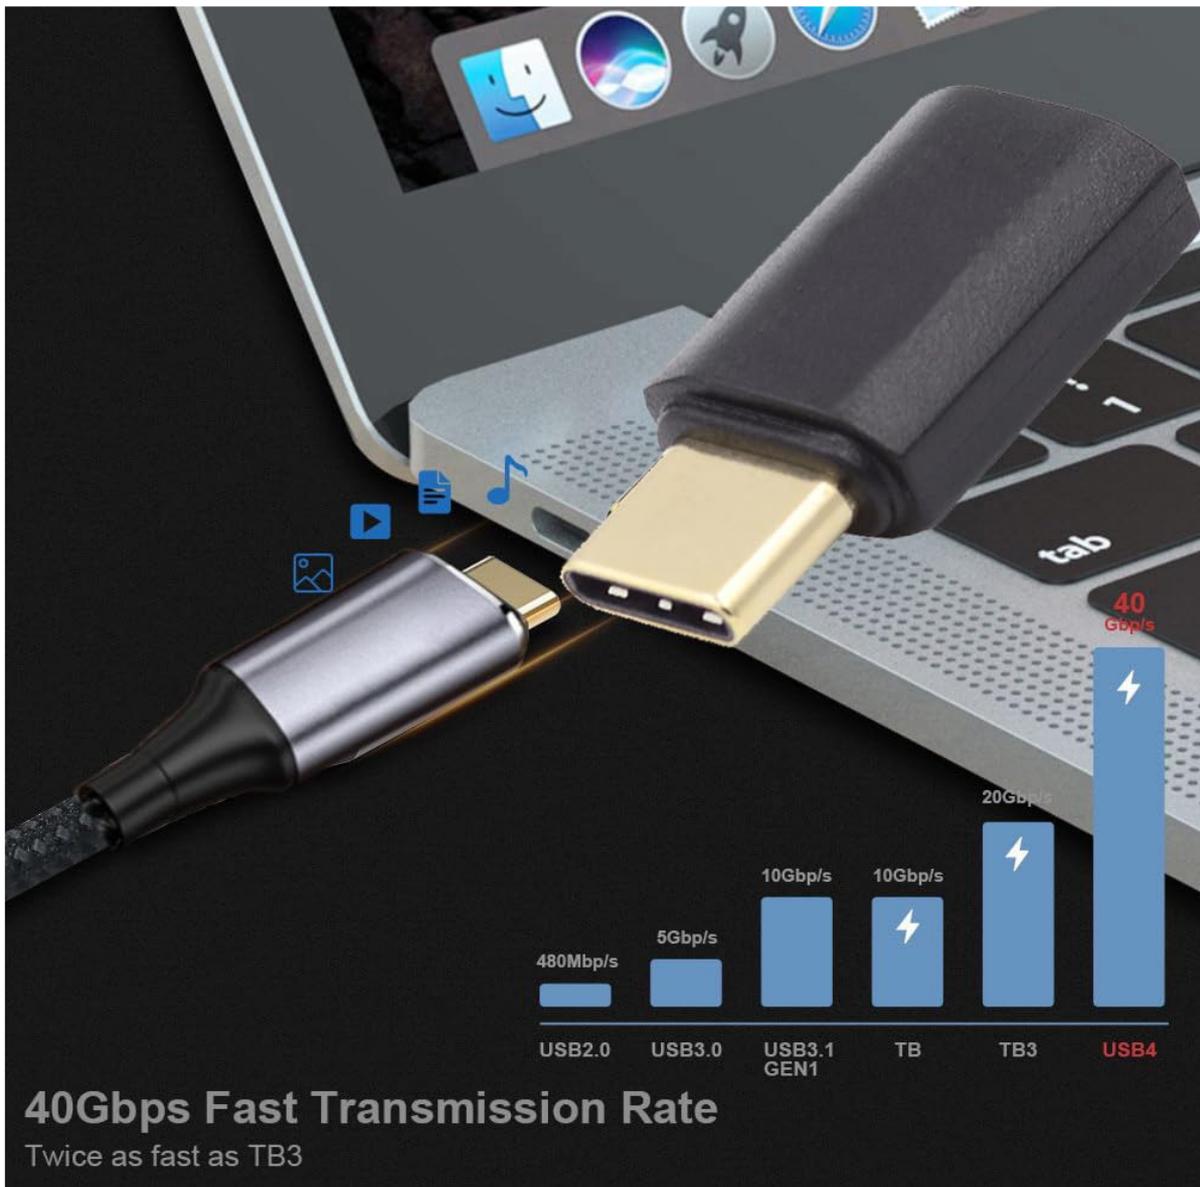

Backward compatible with Thunderbolt 4 / 3 and USB 3.2 / 3.1 / 3.0 / 2.0.

**Model** : USB4-MF-ADPTR

**Description** : USB 4 Type C Male to Female Straight Adapter 240W, 40Gbps, 8K60hz

## Features:

- Supports up to 240W fast charging with 48V at 5A
- Support up to 40Gbps data transfer
- Supports crisp 8K video for monitors and multimedia setup, when pair with a USB 4 cable.
- Compatible with Thunderbolt 3/4 and DP Alternated Mode Supported devices
- Durable and compact to be pack or keep away
- Gold plated connector ensure stable transmission
- Prevents wear and tear on device port
- Reversible plug orientation cable direction
- Plug and play

**Model** : USB4-MF-ADPTR

**Description** : USB 4 Type C Male to Female Straight Adapter 240W, 40Gbps, 8K60hz

## Specifications:

Connector A	USB Type C
Connector B	USB Type C
USB C Protocol	USB 4 with DP 1.4 Alt Mode
Gender	Male to Female
Max Resolution support	Up to 8K@60Hz, 4K@240Hz, 4K@144Hz, 2K@240Hz, 2K@165Hz, 1080P/240Hz, etc
Bandwidth speed	Up to 40Gbps, 240hz
Material	PVC
Connector	Gold plated
Power Support	48V 5A

**40Gbps charging and transmission in parallel**

40Gbps transfer rate makes your file sync more efficient

40Gbps

**PD240 W (Max) Super fast charging made even better**

Highly efficient 50V output, so your devices can be fully charged faster (supports most USB C charging devices)

**Protects the charging data port of your device**

Small enough to be left on the device without having to remove it, reducing the number of times the device interface is unplugged and extending its life

**Synchronised audio and video for smooth office entertainment**

Supports connection to Type-c displays, 8K@60Hz with clear picture quality and smooth operation

**Model** : USB4-MF-ADPTR

**Description** : USB 4 Type C Male to Female Straight Adapter 240W, 40Gbps, 8K60hz

### Notes:

- 1) Ensure USB 4 Cable is use to hit 240W for power and 40Gbps for data transfer and 8K for video resolution
- 2) Do ensure your device Type C support Power, Data transfer and DP alternate Mode to fully utilize the feature of this adapter
- 3) Please make sure your monitor's Type C port support DP Alternate Mode for Video mode
- 4) Not for HDMI source to USB C display

**Description** : USB 4 Type C Male to Female Straight Adapter 240W, 40Gbps, 8K60hz

# Compatible with most *USB C* devices

### USB C Male

iMac

Mac Book Pro

Macbook Air

iPad Pro/Air

Samsung Galaxy

Huawei

One Plus

Switch

### USB C Female

Earphone

USB-C Cable

USB Hub

USB-c Flash Disk

## Package Contents :

1 x USB 4 Type C Male to Female Straight Adapter 240W, 40Gbps, 8K60hz

**Model** : USB4-MF-ADPTR

**Description** : USB 4 Type C Male to Female Straight Adapter 240W, 40Gbps, 8K60hz

## Other Available Models

**USB4-FF-ADPTR**

**USB4-MF-ADPTR 90°-F**

**USB4-MF-ADPTR 90°-V**

**USB4-MF-ADPTR 90°-C**
