D-Type FACEPLATE is compatible with any standard size D-Type modules. They are made of durable aluminium alloy for a long life. A variety of modules and connectors will fill the faceplate openings to meet your specific requirements of voice, data, audio, video, fiber optic, etc. The installation is easy with screw fixation, giving you a highly adaptable system.

**Model:** FP-A9-xDT-XX  
 x = Num of Port: 1 / 2 / 3 / 4  
 XX = Colour: BK: Black / SV: Silver

**Description:** D-Type Faceplate - Aluminium alloy Single / Double / Triple / Four Holder (86 x 86mm) - Black / Silver

## Feature & Specification:

Material	Aluminium alloy
Colour	Black / Silver
Dimensions	86 x 86mm
Installation	Screw fixation, easy to install
Port number	1 Port / 2 Ports / 3 Ports / 4 Ports
Application	Wall plate / 19-inch standard server rack
Key feature	It supports flexible configuration with various D-type module bases to meet your specific needs

Eg of D-Type Module. (Not Included)

**Model:** FP-A9-xDT-XX  
x = Num of Port: 1 / 2 / 3 / 4  
XX = Colour: BK: Black / SV: Silver

**Description:** D-Type Faceplate - Aluminium alloy Single / Double / Triple / Four Holder (86 x 86mm) - Black / Silver

## Screw Hole Countersunk Hole Position

The countersunk hole has a 45-degree structure, which is smoother than the ordinary screw hole. The reaming of the upper part of the bolt hole can accommodate the bolt head, so that the screw head is not higher than the surface of the panel, which improves the safety.

**Model:**

FP-A9-xDT-XX

x = Num of Port: 1 / 2 / 3 / 4

XX = Colour: BK: Black / SV: Silver

**Description:**

D-Type Faceplate - Aluminium alloy Single / Double / Triple / Four Holder (86 x 86mm) - Black / Silver

# Aluminum Alloy Brushed Type 86 Panel

High-quality aluminum alloy wire drawing material, anti-corrosion and rust-proof, durable and long-lasting.

Used with D-type module

Aluminum Alloy  
Brushed Material

Free Combination

Multiple Styles Optional

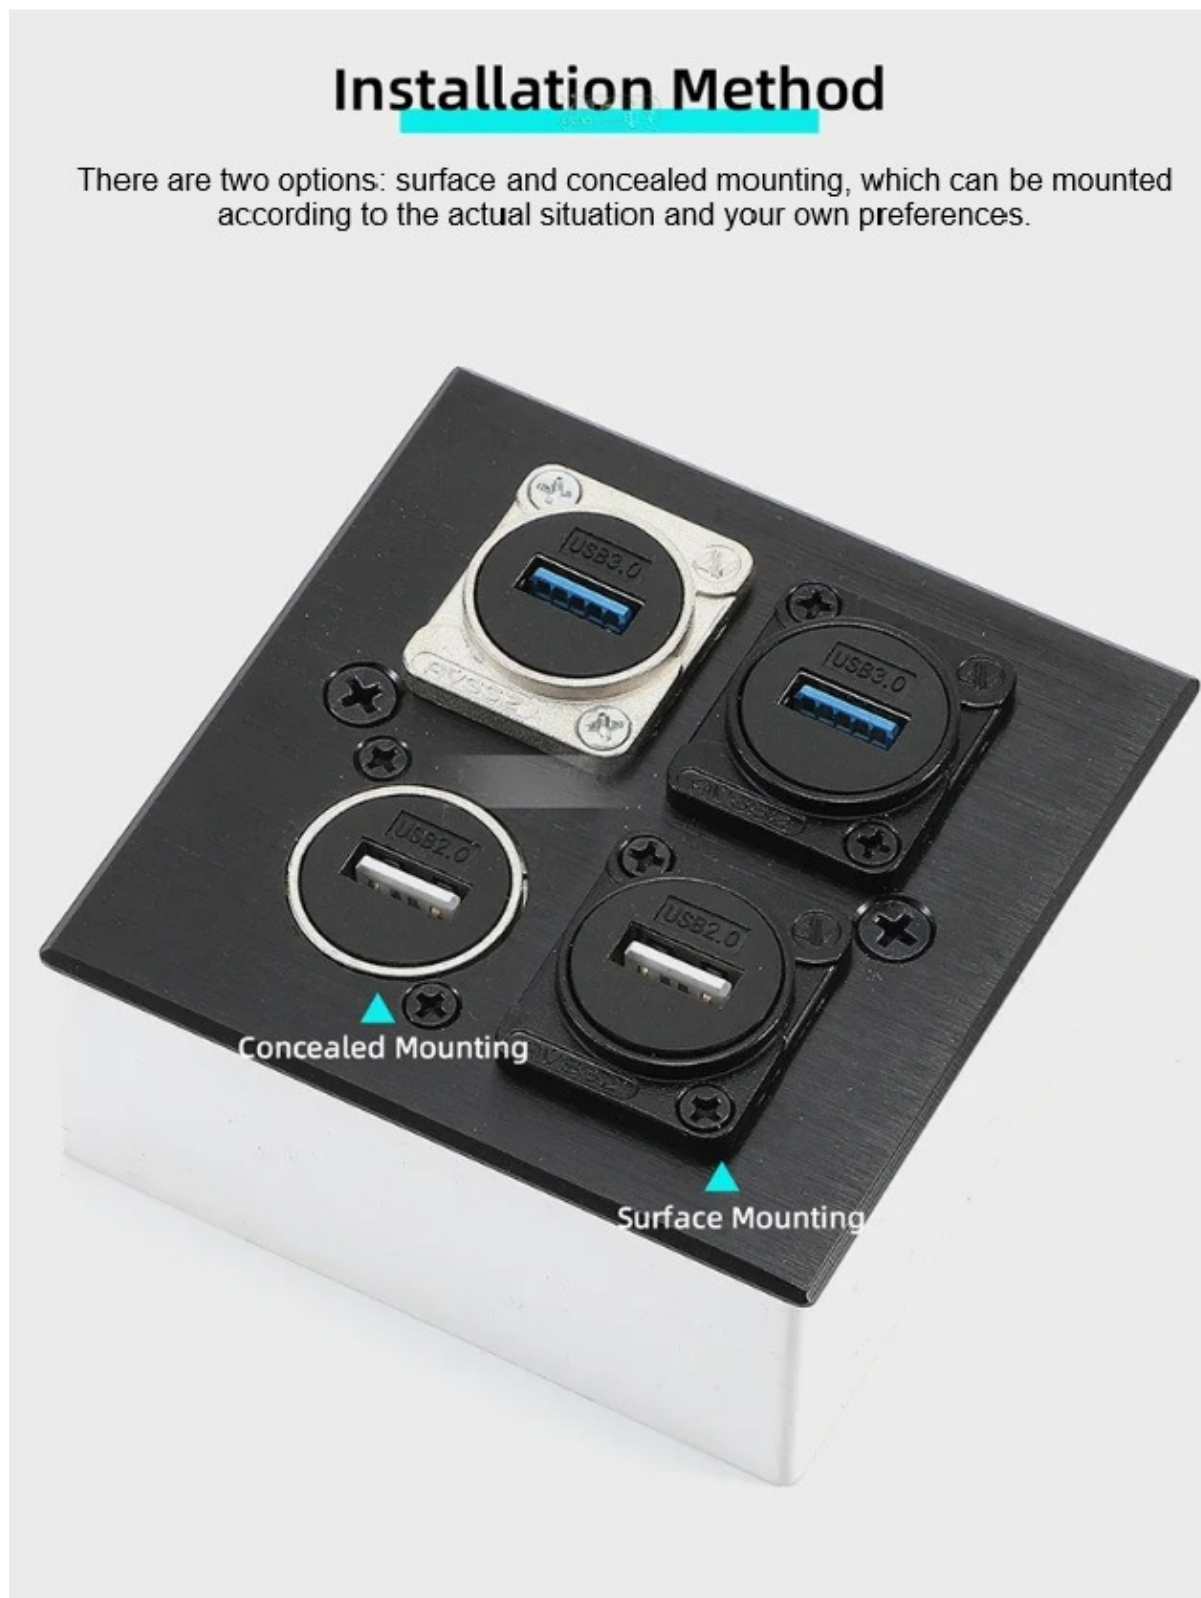

Easy to Install

**Model:** FP-A9-xDT-XX  
x = Num of Port: 1 / 2 / 3 / 4  
XX = Colour: BK: Black / SV: Silver

**Description:** D-Type Faceplate - Aluminium alloy Single / Double / Triple / Four Holder (86 x 86mm) - Black / Silver

## Installation Method

There are two options: surface and concealed mounting, which can be mounted according to the actual situation and your own preferences.

**Model:**

FP-A9-xDT-XX

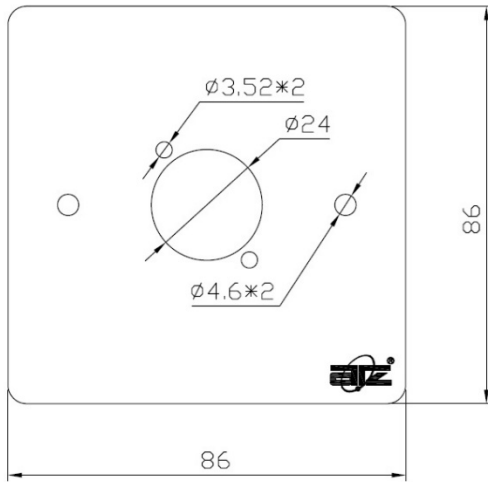

x = Num of Port: 1 / 2 / 3 / 4

XX = Colour: BK: Black / SV: Silver
