Description: D-Type Faceplate - Aluminium alloy 1x / 2x Power Holder
(86 x 86mm) - Black / Silver

Feature & Specification:

Material	Aluminium alloy
Colour	Black / Silver
Dimensions	86 x 86mm
Installation	Screw fixation, easy to install
Port number	1 Port / 2 Ports
Application	Wall plate / 19-inch standard server rack
Key feature	It supports configuration with 1 / 2 x Power Holder

Eg of D-Type Module. (Not Included)

Model : FP-A9-xSP-XX
x = Num of Port: 1 / 2
XX = Colour: BK: Black / SV: Silver

Description: D-Type Faceplate - Aluminium alloy 1x / 2x Power Holder
(86 x 86mm) - Black / Silver

Screw Hole Countersunk Hole Position

The countersunk hole has a 45-degree structure, which is smoother than the ordinary screw hole. The reaming of the upper part of the bolt hole can accommodate the bolt head, so that the screw head is not higher than the surface of the panel, which improves the safety.

Model : FP-A9-xSP-XX
