

Model : PWR.UK-SKT-C14-xM
[x = Length: 0.5 / 1 / 1.5]
Description: IEC C14 to UK 3-PIN 13A BS1363 Socket Extension Cord
(0.5m / 1m / 1.5m)

This is a PDU / UPS Power Extension cord IEC C14 Male plug to UK 3 pin Female Socket.

This cable convert an IEC C13 male power cable into a standard UK socket, making it ideal for use with PDU / UPS systems.

The BS 1363 plug has a fuse rated to protect the appliance and its flexible cord from overload and consequent fire risk.

Model : PWR.UK-SKT-C14-xM
[x = Length: 0.5 / 1 / 1.5]
Description: IEC C14 to UK 3-PIN 13A BS1363 Socket Extension Cord
(0.5m / 1m / 1.5m)

Features:

- Connecting standard UK plugs to UPS systems
- Extending power distribution units (PDUs)
- Converting IEC C13 outputs to UK sockets
- Plug the IEC C14 male end into your UPS or PDU
- Connect your UK-plugged device to the 13A female socket
- Enjoy seamless power connectivity
- Sturdy and reliable texture, not easy to break
- Light weight, easy to use and plug

Specifications:

Connector A	IEC C14 power plug
Connector B	UK 3 Pin BS1363 outlet socket
Current Rating	C14-10A; UK Socket-13A
Voltage	250V
Rated Power	2500W
Number of Conductor	3
Colour	Black
Material	PVC, Oxygen free copper
Operating Temperature	60°C
